*Numbers are limited and it is a very popular week!*

Cadet Week is a week of racing and not a learning-to-sail week. If you have not sailed much before then you should think about coming with a friend who can sail or should attend one of the courses run by the club to help you learn to sail.

To get your sailing skills sorted before the racing of Cadet Week begins, the Club RYA Training Centre is running two courses over Monday 14th, Tuesday 15th & Wednesday 16th August.

The 8s & UNDER BEGINNERS COURSE has spaces available at time of writing, the Ready for Racing Course has a waiting list which will be accommodated if we manage to find another instructor.

Contact Jane in the office for up to date information about these courses – [janeadmin@wfyc.co.uk](mailto:janeadmin@wfyc.co.uk) or 01255 678161

If you do not have a boat, there are a limited number of club boats; these will be assigned by the Cadet Week organisers. Unfortunately, the club's insurance prevents club boats being loaned to non-members.

More information and the registration form can be found on

### **Evening Events**

After sailing each day there will be a variety of social events. The programme for 2017 will be as follows:

- Monday – BBQ & Games Evening (6 pm)
- Tuesday – Pier Rides
- Wednesday – Boat trip to Birch Hall and Barn Dance with Fish & Chips
- Thursday – Film night, pop-corn and soft drinks (7 pm)
- Friday – Regatta Dinner and Prize Giving

### **Helpers**

Cadet Week works well because of the number of enthusiastic parents and helpers who undertake all sorts of jobs through the week ensuring that everything runs smoothly. If you think there is something you could offer please use the form that can be found on the Cadet Week site:

<https://sites.google.com/site/wfyccadets/Home>.

There is a Parent and Helper briefing on Sunday 20th at 20:00 at the Yacht Club, where more information on the week and the helper needs will be given out.
